

ANNOUNCEMENT OF POSITION OPENING

***High School Librarian
Starting School Year 2024-2025***

POSITION: High School Librarian

JOB DESCRIPTION: Are you passionate about fostering a love for reading, learning, and research among high school students? Do you believe in the power of a well-curated library to serve as the heart of a school community? If so, we have an exciting opportunity for you! At Blue Hills, we believe that our library should be a dynamic space where students can explore, create, and connect with information in meaningful ways. We are committed to creating an inclusive and innovative environment where every student feels welcome and empowered to pursue their academic and personal interests. A Librarian at Blue Hills will support the following initiatives:

- Curate Diverse Collections of print and digital resources that reflect the interests and needs of our student body, including fiction, non-fiction, reference materials, and multimedia resources.
- Promote Literacy and Lifelong Learning by developing and implementing programs and initiatives to promote literacy, critical thinking, and information literacy skills among students.
- Collaborate with teachers to integrate library resources into curricula and support student research projects.
- Create Engaging Spaces by designing and maintaining a welcoming and vibrant library space that inspires creativity, collaboration, and independent study. Organize displays, exhibits, and events to showcase student work, highlight new acquisitions, and celebrate diverse voices and perspectives.
- Promote Technology Integration by staying informed about emerging technologies and trends in library science and educational technology.
- Collaborate with school administrators, faculty, parents, and community members to promote the library as a hub of learning and collaboration. Seek opportunities to partner with local libraries, museums, businesses, and organizations to expand access to resources and enrich the educational experiences of our students.
